

Thousands of Wild Ducks

COME SWARMING IN TO FEED ON TERRELL'S WILD DUCK MILLET !!!

Our sportsmen-customers the country over report fabulous success with our Grade A-1 Wild Duck Millet in attracting Wild Ducks, Geese, Pheasants and Upland Game!

Many of you receiving this card have already used our Duck Millet in past seasons, and know how good it is--- a top-notch duck and game food, quick-growing and inexpensive, maturing in 60 days or less and making grazing for wildfowl two weeks after planting.

Sow on mud flats, along water's edge, upland or lowland areas---can be flooded when once started.

NOW is the time to plant! Mark your order on other side and rush it to us for prompt shipment by freight, truck or express.

HURRY! SUPPLY LIMITED - ORDER TODAY!
